*Howard Thurman: In Search of Common Ground*

**Arleigh Prelow**, producer, director, writer, documentary film and video researcher, and founder of INSPIRIT Communications & Film, is currently completing ***Howard Thurman: In Search of Common Ground***, a widely anticipated feature-length documentary on Dr. Howard Thurman (1899-1981), one of the preeminent spiritual and intellectual figures of the twentieth century. Ms. Prelow's recent work includes ***Howard Thurman: Spirit of the Movement***, a short documentary for the newly opened Museum of the African Diaspora in San Francisco. She also produced and directed research for the award-winning ***In Search of the Sacred*** for the Smithsonian Institution, Washington, DC. In addition she co-produced and researched the award-winning, ***Ain't You Gotta Right Civil Rights Video Wall***, a permanent exhibit at the Simon Wiesenthal Museum of Tolerance, Los Angeles.
